INTRODUCTION

CCPC is a Christian, humanitarian community resource center that helps improve the lives of people and communities through meeting immediate and basic needs, serving as a leading networker of community resources, offering counseling and care support, and giving hope to those we serve.

Christian Center of Park City currently has Park City Thrift, Park City Boutique, The Loft, and Heber Thrift on the Park City campus, and we will be adding another store to that list. The location of the new store will be at Outlets Park City.

VISION & MISSION

Christian Center of Park City's mission is "Meeting people at their point of need as an expression of God's love." We see our new store not merely as an affordable retail outlet, but as a vibrant hub where individuals come to inspire, connect, and create positive change. Christian

Center of Park City's organizational vision is to have a community where every person is met at their point of need. This new store location is another step to help CCPC accomplish this vision. It will serve as a catalyst for fostering a sense of belonging, purpose, and hope within the local community. As part of our vision, this store and the CCPC stores will be at the Outlets Park City to fund our community outreach programs.

"I just needed more time. Love the good, better best options and I found stuff in all 3. Can't wait to go back!"
